COMMON MISTAKES

X Writing name in romaji instead of katakana
-> Most forms want katakana (カタカナ). Ask staff for help converting your name.

X Using arrival date instead of move-in date
-> 異動日 is when you moved into your apartment, not when your flight landed.

X Leaving head of household (世帯主) blank
-> If you live alone, you ARE the head of household. Write your own name.

X Forgetting Japanese translations of certificates
-> Marriage/birth certificates need a Japanese translation with the translator's name stated. A friend can do it — no certified translator required.

AFTER YOU SUBMIT

1. Your new address is printed on the back of your Residence Card (10-30 min wait)
2. My Number notification card mailed to your address (2-3 weeks, first-time only)
3. Enrolled in National Health Insurance (if not employer-provided) — same counter or nearby
4. Enrolled in National Pension (ages 20-59)
5. Can request Certificate of Residence (住民票) immediately — ¥300, needed for bank/phone/lease
