COMMON MISTAKES

X Not enrolling within 14 days
-> You owe premiums retroactively from the eligibility date, but medical expenses during the gap are not covered.

X Forgetting to disenroll from NHI after getting employer insurance
-> You will be double-billed for premiums. NHI does not automatically cancel.

X Not bringing the Certificate of Health Insurance Loss
-> The ward office cannot process your enrollment. Ask your former employer to issue this document.

AFTER YOU SUBMIT

1. You receive a qualification confirmation document (資格確認書) — keep this as proof of insurance
2. Monthly premium notices arrive by mail. Pay at convenience stores, banks, or set up auto-debit
3. Dependents can be enrolled on the same form — list all household members
4. Premiums are calculated based on your previous year's income
