Rules for Recyclables and Waste Collection

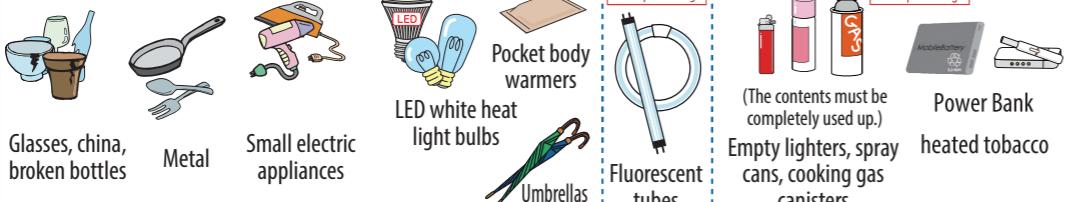

1. Please sort your recyclable resources and waste according to type. Items that are not sorted properly will not be collected.
2. Please take your combustible waste, incombustible waste, plastic containers and wrapping, and used paper to the collection site by 8 a.m. Please take bottles, cans and plastic bottles to the collection site by 9 a.m.
3. Please do not leave items other than recyclables and waste at the collection site.
4. You will be charged a fee if you dispose of more than three 45-liter bags of garbage at one time.

1 Twice a week Combustible (Burnable) Waste

Raw garbage (kitchen scraps) Paper not classified as recyclable Video tape, CD, DVD and others Plastic food containers Rubber and leather items Sponges Dehydrating agents Refrigerant

2 Twice a month Incombustible (Nonburnable) Waste

Glasses, china, broken bottles Metal Small electric appliances LED white heat light bulbs Pocket body warmers Umbrellas Fluorescent tubes (The contents must be completely used up.) Empty lighters, spray cans, cooking gas canisters Power Bank heated tobacco

3 Once a week Plastic Containers and Wrapping

Trays and other packing materials Bags, film Packaging materials (except packing peanuts), polystyrene foam Plastic bottle caps (tops) and labels

4 Once a week Used Paper

These materials are collected even if it rains.

Newspapers Cardboard Paper bags, confectionery boxes, memo pads Milk/juice cartons (for beverages) Note: Cartons with aluminum foil linings are also acceptable. Magazines

5 Once a week Bottles and Cans (for food and drink)

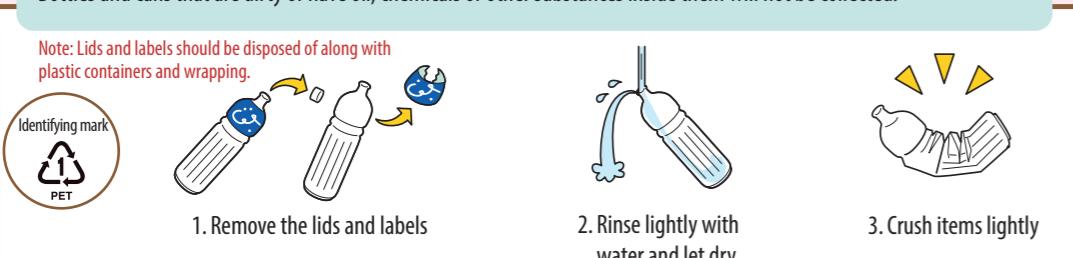

Note: Discard metal lids along with your incombustible waste. Note: Dispose of plastic lids along with plastic containers and wrapping.

1. Remove the lids
2. Rinse lightly with water and let dry

Bottles and cans that are dirty or have oil, chemicals or other substances inside them will not be collected.

6 Once a week PET Bottles (for food and drink)

Note: Lids and labels should be disposed of along with plastic containers and wrapping.

Identifying mark (PET)
1. Remove the lids and labels
2. Rinse lightly with water and let dry
3. Crush items lightly
