COMMON MISTAKES

X Writing name in romaji instead of katakana

-> Most forms want katakana (カタカナ). Ask staff for help converting your name.

X Using arrival date instead of move-in date

-> 異動日 is when you moved into your apartment, not when your flight landed.

X Leaving head of household (世帯主) blank

-> If you live alone, you ARE the head of household. Write your own name.

X Forgetting Japanese translations of certificates

-> Marriage/birth certificates need a Japanese translation with the translator's name stated. A friend can do it – no certified translator required.

AFTER YOU SUBMIT

1. Your new address is printed on the back of your Residence Card (10–30 min wait)
2. My Number notification card mailed to your address (2–3 weeks, first-time only)
3. Enrolled in National Health Insurance (if not employer-provided) – same counter or nearby
4. Enrolled in National Pension (ages 20–59)
5. Can request Certificate of Residence (住民票) immediately – ¥300, needed for bank/phone/lease
